## Produce at Five-B

It was roughly 21 years ago when the first stitch was made at Five-B and it was done on a regular stitching device. With that stitch the history of today's Five-B started, and since then we are setting standards in Martial Arts and Boxing Market for champions.

We all are Five-B at Five-B, and pleased to present this catalog with comprehensive collection of products.

I dedicate this catalog to the Five-B team and trustworthy customers, who have been part of Five-B for many years.

We try demonstrating all our products in this catalog and if you have any new thing to produce please do send it to our attention, because we produce at Five-B.

Enjoy browsing through please.
